The Less Yet Equally Important Info to Know When Losing a Loved One?

Gloria Messenger
The Angel Messenger

When Gloria lost her husband last year they did have everything in order in most of the legal ways: the Will, the POA, the Prepaid Funeral and more. However, she soon discovered that there was so much more that needed to be done, especially if one of the partners, or family members isn't able to physically help out with very much.

In this presentation, Gloria will share what other important steps you may need to consider if your spouse or anyone in your family is nearing the end of their lives so that they may assist where they can in choices. She will also impart her first hand experience on the less important follow up steps most of us will need to take once they are gone.

Gloria Messenger is [The Angel Messenger](#). She is an Author and channels The Angels of the Light to bring forth Guardian Angel Portraits for Adults, Children, Businesses & even Pets. She believes we all have Friends in High Places that are just waiting to be asked to assist in all areas of our lives.

And WE DID ! Since 1917...
