What's Stopping You from Getting Organized?

Julie Stobbe

[Mind over Clutter](http://MindoverClutter.com)

There are many reasons why getting organized can be difficult.

- Do you have too much stuff? Why do you keep things?
- Do you have the right type of storage and systems?
- Do you know the steps to use to get organized?

Join **Julie Stobbe** a Trained Professional Organizer to discover the answer to these questions at our January 24th meeting.

Julie Stobbe is the owner of [Mind over Clutter Professional Organizing and Coaching Services](http://MindoverClutter.com). For 18 years Julie has been bringing organization to offices and happiness to homes. She is a Gold leaf member of Professional Organizers in Canada. Her organizing blog was selected as one of the top 15 organizing blogs in Canada. Getting people organized is important to Julie because she sees how disorganization can cause stress, anxiety and overwhelm people. When it comes to organizing, Julie helps clients meet their organizing goals and find solutions that suit their personality and lifestyle.
