### **FEBRUARY CANDLE LIGHTING CEREMONY**

With "Turning Passion Into Action" Presentation

by Gillian Lewis, National President BPW Australia

**Gillian Lewis**

Gillian will be talking about the opportunities BPW gives us to contribute in our communities and beyond to make a difference for women in whatever way we can.

This may be done by responding to Inquiries, by actioning our Resolutions into policy, or by joining with other like-minded groups to ensure women's issues are really heard and actioned. This grows more important with these changing times.

**Gillian Lewis** is a dynamic leader and a dedicated advocate for the empowerment and safety of women and girls at local, national, and international levels. As the [National President of Business and Professional Women \(BPW\) Australia](#), Gillian champions gender equality, social justice, anti-men's violence against women and the promotion of women's rights across the globe.
