Your Silent Partner in Business

Moira Bush

[The Colour Entrepreneur](#)

You have been trained to hide what is uncomfortable and unspeakable: past traumas and pains, disappointments, failures and betrayals - especially when in business. Yet, what you have hidden from sight is energetically present as your silent partner in every meeting, every sales opportunity and has the power to hinder your ability to dream bigger and seek out higher levels of success.

What if you knew that you can awaken those energies hidden in the shadows, engage with them and transform them to become your inner guide in your business?

Moira Bush has been educating entrepreneurs internationally for over 25 years. From South Africa where she taught empowerment to women in shanty towns, to England where she coached women off the welfare system into their own enterprises. In Canada Moira has interviewed entrepreneurs on 'The Magenta Show' and with Amy Bell, 'The Colours Behind the Brand'. Moira is an Author, Broadcaster, Publisher, International Speaker and a Colour Mirrors Spiritual Teacher.

And WE DID ! Since 1917...
